

## Frequently Asked Questions and Answers - Rockschool video examinations

### How long will Rockschool video examinations be available?

Both examination types will be available in Session 90 and you **can enrol online through [AMEB Qld Shop](#) until 1 December 2020.**

[Rockschool Graded Certificates](#) (Debut to Grade 5) video examinations will be offered only in 2020.

[Performance Certificate](#) (Premier to Grade 8) video examinations will continue as a permanent offering after the pandemic.

### How long do candidates have to submit an examination?

Once an examination is purchased, candidates have **four weeks from purchase date to record and submit their video examination.**

### Are Rockschool Diploma video examinations available?

No. The only Rockschool video examinations available are those mentioned above.

### What are the requirements for Rockschool video examinations?

For a **Graded Certificate video examination**, three pieces (at least one from the grade book), plus ALL the technical work for that grade must be performed. All the technical exercises PDFs are available on Rockschool's [2020 Video Exams](#) page.

For a **Performance Certificate video examination**, five pieces must be played (at least two from the grade book). There is no Ear Tests, Sight-reading, Improvisation or General Music questions requirements in a Performance Certificate video examination.

### How do I enrol my candidate in a Rockschool video examination?

Candidates can enrol in both examination types in Session 90 online through [AMEB Qld Shop](#). AMEB Qld will forward the candidate's enrolment details onto RSL Rockschool UK, who will then email you a link to upload the video to MASV (file sharing software) within approximately 4 weeks.

### What is the difference between the two video examination options?

The table below summarises the differences between the two new video examinations.

| Graded Certificates  | Performance Certificates  |
|--|---|
| Debut to Grade 5   | Premier to Grade 8  |
| Three pieces (at least one from the grade book) plus ALL the technical work for that grade   | Five pieces (at least two from the grade book)  |
| All the <a href="#">technical work</a> is now available in PDFs from Rockschool's <a href="#">video exams 2020</a> page (access through the link above). | They contain the same weighting as the in-person Performance Certificate examinations |
| Valid only in 2020   | These qualifications will continue as a permanent offering after the pandemic         |

**Where can I find the guide to taking video Rockschool examinations?**

A comprehensive guide and instructions can be found at [guide to taking RSL Performance Certificate and Graded Certificate examinations via video](#). This includes the requirements for each examination, instructions for recording and uploading a video submission and checklists.

**When will AMEB Qld commence enrolments for Rockschool video examinations?**

Performance Certificate (Premiere to Grade 8) and Graded Certificate (Debut to Grade 5) video examinations are currently on offer via online enrolment in the [AMEB Qld Shop](#) until 1 December 2020.

**Does the Performance Certificate video examination contain the same weighting as the face-to-face examination?**

Yes, it does.

**Where do I find information for other Rockschool examinations?**
